Dave Ragsdale Dead.

Uncle Dave Ragsdale, of Rose, Okla., died Tuesday at a ripe old age. He was one of the pioneer citizens of this country who moved here from Georgia overland in the early days. He was well known all over the eastern part of the state and has a host of friends in and around Vinita who mourn his loss.

A letter from Tim Houk states that he and Mrs. Houk are having the time of their lives fishing in Galveston Bay. Fish of all kinds including shrimp and oysters are in abundance. Mr. and Mrs. Houk will return to Vinita about the middle of October.

J. W. Holland, of Wann, Okla., is in town to visit his brother, P. H. Holland. Mr. Holland is 57 years old today (Friday the 13th) but he says he will take his chances with any other man born on any other day of the month. He is not superstitious of the number 13 and he says he would just as soon sleep in room No. 13 as any other room. Mr. Holland is one of the old timers here having been raised up around Westville where he was circuit judge for a number of years.

Fraternal Aid Meeting.

The Fraternal Aid Association held a special meeting last evening at which 42 new members were adopted. There were about 100 persons present all of whom seemed delighted with the good work being done by the F. A. A. After the business and class adoption came the banquet which was one of the most enjoyable the writer has visited for several months.

We are indeed grateful to the ladies for their support in the social feature. Cream can be obtained any old time but not such fine cakes, they were delicious.

The association at this place is nearly 200 strong and the writer has the interest of Vinita Council No. 272 at heart and will make a special effort to reach the 300 mark in membership by January 1.

On October 3rd, we will have another class adoption, so let all members get busy and make October 3rd long to be remembered in the Fraternal world. President H. E. Don Carlos of Lawrence, Kans., will be present at the next class adoption.

Fraternally yours,

WILLIAM W. WILSON.

Six Injured in Frisco Smashup.

Tulsa, Okla., Sept. 12.—Three passengers and three Frisco employees were injured in a collision of train No. 404 and a freight train at Garnett early Thursday. D. J. Doniphan of Monnett, Mo., engineer of the passenger train, was taken to Springfield Thursday night for amputation of his right leg. His recovery is unlikely. Others injured were: Fireman Negzand, Monnett, Mo., head cut; C. E. Rogers, Tulsa, slight; Catherine E. Potter, 12 years old, Clinton, Okla., arms injured; H. B. Lipe, McIntosh, N. M., slight.

Train service was restored late Thursday. Frisco officials are investigating the wreck, said to have been caused by leaving open the switch when the freight sidetracked for the passenger. Both engines were smashed and about \$10,000 other damage was done. The passenger train was running about twenty miles an hour.

To The Public.

There seems to be some misunderstanding in regard to a petition which I myself circulated asking the mayor and council to retain the two night police, which have been in service for the last eighteen months. Some seem to think that Vinita has too many police. I want to state that I am of that same opinion and have been all along, but I do not think that the night men are the ones to lay off. I have repeatedly said that I am perfectly willing to police the town throughout the day myself, which I believe that I can easily do. I do not want any extra men, nor I have no henchmen circulating petitions for me. I have plenty of time to do those things myself. Yours respectfully,

C. H. GOODPASTER,

Chief of Police.
